August 2024

## Events Updates

The Augusta County Fair Board held the Augusta County Fair at Augusta Expo recently in July. Did you know the Fair has been at this location for nearly 30 years? This year's events included not only fun rides and good food, but also a wine festival, the Miss Augusta County Fair Pageant, a Jackpot Show, the 4H/FFA Animal Show, and track events such as tractor pulls, demolition derbies, and motocross. Another event-FULL fair in the books!

July at Augusta Expo also brought a Hot Tub Expo, the Augusta County Cornhole July Tournament and the Valley Wool Pool that was featured in our July 2024 newsletter. Additionally, space was also provided in July for two private parties and a practice space for a women's roller derby group. These events from July are just a small example of how Augusta Expo is acting on our Vision, that "Augusta Expo strives to be a leading force in the economic development of Augusta County by providing a high quality venue available for public events, trade shows, concerts, agricultural events and any other event where businesses can showcase themselves or provide informational and entertainment activities for our community."

## Facilities Updates

All of the recent electrical updates came in to good use during the Augusta County Fair. The lights and all of the outlets in the Augusta Petroleum Cooperative Pavilion were a big help to the events happening there. Plus, the new ceiling fans in the Multi-Purpose Building were also very beneficial.

## Find Us On Social Media!

Did you know you can find us on Facebook and Instagram? These platforms are another means for us to share information and upcoming events with you.

If you aren't following us already, you can do so by clicking below:
