## Events Updates

Part of Augusta Expo's mission as stated on our website, is to "provide opportunities for individual and business growth through education, information and entertainment for our community." We have seen such opportunities throughout October and November.

October began with a "It's Fall Y'all" event and the Fishersville Antiques Expo returned for their Fall expo. Heritage Promotions brings this expo both in the Spring and Fall, and it was another great weekend with quality dealers and collectors, antiques, and food!

Other events held in October were Virginia Rural Water Association's training days, and Exoticon, the Reptile and Exotic Pet Show. Also, Augusta County Cornhole held several practices and their October Tournament, the SAW World of Works career event for middle school students was here, and UPS used our Annex space for an employee appreciation meeting. There were also six private parties that were held during October.

November was also busy with another private party, a private event, usage of our parking lot and a camping space, and more. Others included a Woodturner's Symposium, a Market Animal Show event, Lifeline Screening, another regional competition with Augusta County Cornhole, a Showmasters Gun Show, a Roller Derby with the Charlottesville Derby Dames, and our own Fall 2024 Arts, Craft, and Vendor Show!

What a great weekend we had at this fall's show. With all booth spaces filled, great artists, crafters and vendors, good food, special visitors and furry friends from Shenandoah Valley Animal Services Center, and wonderful customers and volunteers, it was a big success! This year we saw over 3600 folks come through our doors, and collected a large number of donations for the animal service center!

In addition to all of these events, November also brought us folks needing space from Augusta Bird Club and LOVE, Inc. Plus, others from Bridge Christian Church used space to build props for their Christmas service.

We are thankful for those of you who support Augusta Expo. As 2024 comes to an end, we thank you for your contributions to our organization, whether it is by renting out space, coming to an event held here, or by volunteering your time and/or talents. These all help Augusta Expo to continue to bring a variety of events to foster education, information, and entertainment to the community while stimulating the local economy. Thank You, and wishing all a very Happy Holiday Season!

## Facilities Updates

There have been some repairs to our roof due to some significant leaks that were discovered during the heavy rain we received this fall.

*Wishing All A Very Happy  
Holiday Season!*

## Thank You Volunteers!

Many thanks to those of you who were there for us at this year's Fall Arts, Craft, and Vendor Show! Volunteers are crucial to the success of our Arts and Craft Shows. You provided us with the additional hands needed to assist us in making it another successful show. We are grateful to you all!
