## Events Updates

As a 501(c)3 non-profit, member-based organization, Augusta Expo provides our surrounding communities with a multi-purpose venue for all types of events, private parties, fairs, business meetings and training spaces, and more! The events held in August are a prime example of the variety of events for which Expo is able to provide spaces.

It is one of our greatest privileges to have opportunities to offer spaces for events that support our local communities. August brought a few of these events: 2 Red Cross Blood Drives and the area “Stuff the Bus” with school supplies for area schools.

We also take pride in providing facilities for businesses and organizations to use for meetings, trainings, dinners, etc. During August, James River Equipment held training here, Appalachian Habitat Association had their Annual Dinner, and Cruise Planners had a Cruise Night.

And then there’s entertainment! Of course it is a pleasure to provide opportunities for businesses, organizations, individuals, and others as part of Expo’s mission. August brought the East Coast Tractor tractor pull, the Charlottesville Derby Dames’ Roller Derby, and the Augusta County Cornhole August Tournament. Additionally, there was a private event and six private parties during the month.

## Facilities Updates

August ended up being “Repair Month” with repairs made to our commercial refrigerator and to fixtures in our Main Hall restrooms.

## Call for Volunteers!

Did you know that the Arts & Craft Shows are the only events held at Augusta Expo that are actually run by Augusta Expo? We are very excited about our upcoming Fall 2024 Show, and we would be even more excited to have you as a volunteer during that weekend. Volunteers can help with greeting our visitors, assisting our guest vendors with unloading their wares, and can help at the information booth.

Please contact the [OFFICE](#) if you are interested in volunteering for this awesome event!
